

DLL Finance Implements Scrum / Agile Methods to Maximize Customer Satisfaction

Eric Davison & Peter Chodakowski

DLL Finance

PW 18

**Limitless possibilities.
Real results.**

Gaining Organizational Support

- Start with “Why?”
- Deliver quick wins
- Embrace pillars of Agile Development
- Team considerations

Adopting the Scrum Framework

- Begin at the beginning
- Staff appropriately
- Strategic actions
- Challenges organizations face

Empower the People

- Team empowerment
- Things to avoid
- Things to encourage

Closing Thoughts

- Don't underestimate these things
- Focus on what's really important
- Have fun
